

ETFC Families,

We are getting ready to kick off our Autzen Fall volunteer season, starting with the Soccer game on July 24th.

The ETFC Fee Reduction Program is designed to help families minimize the amount of out of pocket money they pay on their player's account. Instead you have the option to earning credits volunteering at various UO events. Every ETFC member can utilize the Fee Reduction Program to earn credit towards their players account.

Please contact Irene Martinez at feereduction@eugenetimbers.org

For those of you who like statistic, here is some credit earned by families last fall:

- Family with 5 volunteers earned \$1266.91 by volunteering at 4 out of 7 games and earned this for their one players account
- 2 individuals volunteered for 6 out of 7 games and earned \$704.56 towards their one players account
- 1 youth volunteered 4 out of 7 games and earned \$237.88 for his account. Plus he gained work experience he can use on his resume
- 2 individuals volunteered for 6 out of 7 games and earned \$1,129.99 towards one players account
- 1 parent volunteered for 3 out of 7 games and earned \$159.57.

The reason all these amounts are different it is based on the hours volunteered, the total hours could range from 3 to 8 hours and for some 12 hours (this will be our money and Inventory persons). But this is the great part about this program you can volunteer the minimum or maximum of hours to earn credits that will post directly towards your players account.

We staff the concession in the Club section at Autzen, this year we need to have 100 volunteers per game. This is such a great opportunity for all families to be able to take advantage of such a great program that most clubs do not offer.

The minimum age to volunteer is 15 years old, but you can have family and friends help you earn this credit, like the family with 5 volunteers.

While quite a few families are already volunteering, I wanted send a reminder out to all families to let them know if you are interested in knowing more about the program and/or would like to be added to the volunteer email list. Please contact Irene Martinez at feereduction@eugenetimbers.org
